

Transform abandoned rail lines into useable trail with the.....

SASKATCHEWAN RAILS TO TRAILS MANUAL

The Saskatchewan Rails to Trails Manual is a starting point for potential trail-builders to begin accessing the vast amount of data and resources to plan, design and build their own rails-to-trails project.

The STA has created this extensive PDF document to assist local community groups and organizations to convert abandoned rail lines into useable trail. The manual has adapted many of the components of the Rails to Trails Conservancy and combined the information with Saskatchewan case studies.

The manual is free of charge to all STA members

The manual is \$20 for non-members

SPONSORED BY:

If you're interested in a copy of the Saskatchewan Rails to Trails Manual, please fill out your personal information below. The STA accepts cheques and money orders made payable to Saskatchewan Trails Association, 2260 McIntyre Street, Regina, SK S4P 2R9 or e-transfers made to info@sasktrails.ca. If you choose to make an e-transfer, you will have to create a password for the deposit. Please send the password to info@sasktrails.ca in a separate email. Once we have received the funds, we will email you a copy of the manual to the email address listed below and provide you with a receipt. **REMEMBER, IF YOU ARE AN STA MEMBER THE MANUAL IS FREE OF CHARGE AND YOU DON'T NEED TO PROVIDE US WITH ANY PAYMENT.**

If you have any questions, call (306) 522-9326 or email info@sasktrails.ca. Thank you for your interest in the Saskatchewan Rails to Trails Manual.
