SUPPORTING SASKATCHEWAN'S TRAIL NETWORK

Promoting trail development and maintenance | Recreational, multi-purpose trails | Preserving Saskatchewan's natural environment

www.sasktrails.ca

YOUR GIFT will help the STA promote the development and use of recreational trails in Saskatchewan, ensuring that future generations can discover the province's natural beauty through the trails.

LIFE BEGINS off the beaten path

Trails support sport development, physical fitness and urban commuting, and enhance tourism and economic development. Saskatchewan's trails bring us closer to nature and add life to communities, but these trails need your support.

The Saskatchewan Trails Association (STA) works to promote the development and use of recreational trails in the province. To help preserve and upgrade the network, STA created the Saskatchewan Trail Fund, which helps its members build and maintain trails. Over the years we have supported many projects, including helping to create new and rehabilitate existing trails, developing trail studies, installing signs, and helping to

purchase benches and maintenance equipment. The list the STA has undertaken is extensive and continues to grow. We need your help to support these initiatives.

There are many ways YOU CAN DONATE:

- **The "500 Footprints Club"**
includes individuals who have committed to donating \$100 a year for five years. These generous annual gifts significantly contribute to the STA's work in the province. Like footprints, every dollar creates a lasting mark and ensures that future generations can explore Saskatchewan's great outdoors.
- **"Trail Enthusiast" Monthly Giving Club**
is simple method for donors to contribute on an ongoing basis to the STA. By setting up pre-authorized payments online through your credit card or PayPal account, the STA can automatically process your donation

each month without the inconvenience of writing cheques or remembering to donate. To join the Club, a minimum donation of \$10 per month is required.

- **One-Time Donations**
Any donation at any time makes a difference. Please consider making a donation that will help current and future generations discover that life truly begins off the beaten path.

The STA has donor recognition programs for each donation level. All donors will receive a copy of our annual Saskatchewan Trails Stewardship newsletter. It features STA projects and highlights the impact your donations are having on trails in Saskatchewan. **Donations over \$10 also receive a charitable income tax receipt.** For more details, visit www.sasktrails.ca.
